## Member Spotlight

Dave W.

**Sobriety Date:** April 1, 2019

**Home Group:** NFAD - Monday 7pm downstairs

**What is your favorite memory from the Carvel Club?**

Sitting in a Sunday morning meeting in the upstairs room. I was 5 or 6 months sober and I realized that I was more comfortable in an AA meeting than anywhere else. A complete 180 from my first few weeks of meetings when I felt nervous, awkward and lost.

**What is your favorite thing to order at The Club?**

I've actually only had the coffee but it's excellent and super inexpensive. The burger always looks good. I really need to try it.

**How do you carry the message?**

The best way for me to carry the message is to simply follow the path laid out in our literature.

**What is something you always share with a newcomer?**

Something I always share with a newcomer is the fact that I had no success at sobriety until I surrendered. It took a long time for me to accept that my way doesn't work. When I took direction things started working.

**What is a funny or unique fact about yourself?**

I have hundreds of dad jokes but I'm not a dad.....unless dogs count.

Since 1948, the Carvel Club is a home for AA and other 12 Step recovery groups

"I try hard to hold fast to the truth that a full and thankful heart cannot entertain great conceits. When brimming with gratitude, one's heartbeat must surely result in outgoing love, the finest emotion we can ever know."
